

'SWING PARADE' AT ALCAZAR IS BIG SMASH HIT

Unusually Favorable Critic
Comment On Production
Results In Sellouts

Usually drama is presented on the stage, but this week real drama is taking place in the box office at the Alcazar Theater—the drama of being compelled to turn down money for tickets to see the show. Inability to pass out the cardboard to cash customers is poignant drama in the box office life of any man.

Since the opening of "Swing Parade" at the Alcazar, Thursday evening of last week, each performance has been a sellout and hundreds have been turned away nightly. The play enjoyed a record advance sale for Federal Theaters productions and with each succeeding performance the reservations for future performances have been piling up. It is conceded on all sides that the Federal Theaters have on their hands that rare but happy phenomenon of the theater world, a box office smash.

"Swing Parade" is a fast moving, easy flowing, tuneful musical revue. It has novelty, many tunes that send the audience home humming them, an ensemble of really pretty girls, some comedians that are actually funny, good solo and ensemble dancing, beautiful scenic and lighting effects. Max Dill of the famous musical comedy team of Kolb and Dill is the director.

BOARD REFUSED SPECIAL MEET FOR ELECTION

Supervisors Will Wait The
Return Of Chairman Be-
fore Setting Ballot Date

Attorney Joseph Bullock, counsel for the proposed San Mateo County charter amendment group, appeared before the supervisors, Wednesday afternoon of this week, and requested the board to hold an adjourned meeting, Wednesday of next week, to set a special election date.

The request was refused and acting Chairman Fred Beer told Bullock that the board wished to wait for Chairman Hugh H. Smith to return before taking any action on the election. Smith notified the board by letter this week that he will be back from a vacation trip to Mexico on May 1.

Supervisor James told Bullock that the board intended to abide by the law and the advice of the district attorney and will call the election within the 60 day maximum allowed by law.

Ten Largest Navy Ships To Come Here

The ten largest battleships in the United States Navy will head the procession of the fleet which will arrive in San Francisco May 28 for the Golden Gate Bridge Fiesta.

This was announced recently by the president of the Army and Navy Club and chairman of the Fiesta army and navy participation committee after communications were received from Arthur J. Hepburn, commander in chief of the fleet.

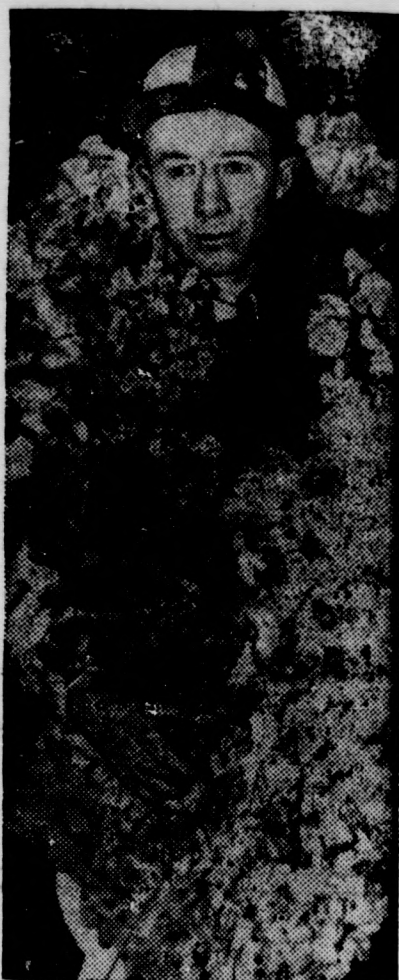

Admiral Hepburn, aboard his flagship, the Pennsylvania, announced that all the capital ships of the fleet would come here for the Fiesta, direct from six weeks maneuvers in the Pacific.

The other battleships assigned to San Francisco are the California, West Virginia, Texas, Maryland, Nevada, Idaho, New Mexico, Mississippi and Colorado.

There will also be the aircraft carriers Saratoga, Lexington and Ranger; the plane guards; the destroyers, Zane, Trevor, Tracy, Wadsworth, Dahlgren and Overton.

The fleet will bring between 40,000 and 50,000 men to join in the Fiesta and the celebration committee has arranged for extensive entertainment for them with a series of dances, sporting events, parties and other functions.

Negro Wields Knife After Auto Crash

A Negro who assertedly attacked another motorist with a knife following a trivial automobile collision was arrested in South San Francisco early this week.

Victim of the murderous assault was Mike Kessinger, 32, of 195 Seventh street, San Francisco. He was treated at Villa Sanitarium, Colma, late Sunday night for a badly slashed right hand.

The Kessinger car locked bumpers with another machine on the Coast road near Rockaway Beach, Sunday evening of this week. When he got out the other driver, he says, drew a long, thin bladed knife and attempted to slash Kessinger's throat. Kessinger put up a hand to ward off the blow and received a deep cut.

Leonard King, 30, the Negro knife wielder, claims that Kessinger struck him first and that he drew his weapon in self defense.

BOND ORDINANCE WILL BE READ AT BOARD MEET

Local Tax Payers Are Asked
To Raise Only Half Of
Project Costs

At the Daly City Council meeting, Monday evening of next week, an ordinance calling for a bond election, May 25, on the proposed civic improvement program will be read. Provisions in the document will include the setting up of precincts and the exact cost of each unit of the construction and development program.

Daly City tax payers are fortunate in the fact that they will be asked to vote bonds to raise only approximately half of the total cost of the projects. Federal and state funds will be available to supply the second half of required expenditures.

ENTHUSIASM KEEN

A preliminary survey by the Daly City Record indicates that every local organization favors the improvement program. All citizens speak enthusiastically when asked about their attitude toward the construction of a new city hall and library, the development of Vista Grande Park and a playground in the Crocker Tract and the extension of public utilities into the recently annexed Colma section of the city.

Starting next week an extensive publicity program will be sponsored to acquaint all citizens with detailed information concerning the civic improvements—exact costs, advantages and the necessity of such developments to the progress of this community.

Theater Party, Costumes,
Queen Contest, Street
Dancing Planned

The sunshine of Daly City will blend itself with the splendor of picturesque Italy for the duration of the Golden Gate Bridge Fiesta, May 27 to June 2. Citizens in native Italian regalia will be served by merchants in costumes of that sunny clime.

Street dancing, a midnight show, a queen contest and other fiesta celebrations with the colorfulness of costumes and decorations will add zest to the spirit of the occasion.

It is the purpose of the general and honorary committee to make fiesta visitors remember Daly City—to make those who come to look want to come to live.

A queen contest is under way to select the most popular local girl to rule over the fiesta. Would be contestants are requested to report to the Queen Contest Headquarters, 11 Hilcrest drive, or call at the office of the Daly City Record.

DANCE SPONSORED BY DALY CITY MERCHANTS ASSOCIATION BRINGS GALA CROWD SATURDAY EVENING

Drawing Held To Award
Radio, Washing Machine
To Local Customers

Nearly 1000 Daly City residents and friends attended the gala free dance sponsored by the Daly City Merchants Association, Saturday evening of last week, at the city hall. It was one of the largest and liveliest crowds ever to attend such an affair in Daly City.

At 10:30 o'clock Judge Wade H. Clay officiated in the prize drawing to determine winners of the free radio and washing machine, awards made to customers of Daly City stores at the culmination of a seven week local trading program. The big eleven tube Crosley radio was won by Mrs. Mary Domenichini, 1034 Hanover street, and the washing machine was won by Mrs. Julius Selmi, 411 Miriam street.

SPEAKER PROGRAM

In addition to the free dance Saturday evening the sponsoring committee of the merchants association presented a varied program of speakers. Mayor Selmi, Councilman Twisten; Ernest Milo, president of the association; A. Milo and H. War-

Conscience - Stricken Kidnapers Frees Lad

William Blodgett, 5 Years

Oakland, Cal., police recently widened their search for the conscience-stricken abductor of William Blodgett, 5, who was "snatched" from a park. Five hours after the abduction the boy was released near Hayward, Cal., with a note pinned to his blouse. The note stated the child was to be held for ransom, but the kidnaper decided to go straight and wanted the child returned to his parents.

Keeping Up With Joneses And Mayor

Daly City merchants would be very happy if all residents here would adopt the old policy of trying to "keep up with the Joneses"—providing they selected Mayor Selmi and his relatives as the "Jones family."

At a meeting of the Daly City Merchants Association, late last fall, Mayor Selmi suggested that a local trading program be sponsored and prizes such as a radio and washing machine be given away. Details of the suggestion were worked out, 80,000 coupons were purchased and the project was started early in March.

JUNE 4 SET AS ELECTION DATE FOR TRUSTEES

Office Terms Of Three Local
School Board Members
Will Expire

Trustees in every elementary, high school and junior college district in California must be elected or re-elected Friday, June 4, 1937. The term of office of those elected begins on July 1 following the election and continues for three years, except South San Francisco Unified District.

The terms of Louis Nava, Jefferson Elementary School District; Stella Jensen and Andrew Vireno, Jefferson Union High School District, and Angles T. Owen, and F. T. Letchfield, San Mateo Union High School and Junior College District, will expire June 30 and the offices must be re-filled at the June 4 election.

Anyone who desires to become a candidate must file a written notice of candidacy with the county superintendent of schools (forms will be furnished by that office) at least fifteen days before the election.

Reports received this week by The Record announce that Stella Jensen and Andrew Vireno have filed for re-election as high school trustees.

REPRESENTATION

Since Jefferson Union High School and Half Moon Bay High School Districts have recently been annexed to the San Mateo Junior College District, it has been suggested that they be given representation on the jaycee board of trustees. College officials and several local persons who take an active part in school affairs have suggested Mrs. Stella Jensen as a possible candidate for the jaycee board.

TUBERCULOSIS TESTS GIVEN TO HIGH STUDENTS

County Health Association
Sponsors Program And Is
Assisted By Volunteers

One hundred and seven students and teachers of the Jefferson Union High School took advantage of the opportunity offered last week by the San Mateo County Tuberculosis and Health Association to be tuberculin tested. The testing was carried on under the direction of the County Medical Society with local physicians conducting the clinics.

Doctors Ring, Paoli, Lubin and Shaghoian donated their services. Other volunteer workers were Miss Eleanor Thronsdorn, Mrs. C. A. Andrews, Mrs. J. M. Foley, Mrs. Lohr, Mrs. Price, Mrs. Hill, Mrs. Patterson, Mrs. Flick, Principal Ferguson and Miss Juanita Young, high school physical education instructor.

RESULTS SHOWN

Of the 107 students tested, 52 were found to have been infected with tuberculosis germs. This does not mean that these students have tuberculosis but they have come in contact with an active case and have picked up the germs. The 52 cases have been X-rayed by the Tuberculosis Association and reports are being sent to the local family physicians.

BUDGET BOOSTS REQUESTED FOR COUNTY OFFICES

Total Salary, Maintenance
And Outlay Estimates
Jump 10 Per Cent

Faced with requests for the largest budget total in the history of San Mateo County, the Board of Supervisors this week began their study of proposed expenditures that departmental demands set at \$1,359,897, exclusive of road department expenses, bond interest and redemption and special funds such as payments on the Sunnyvale airbase.

The total tentative budget exclusive of these items shows an increase of \$129,965 or ten and one-half per cent over anticipated expenditures of a similar nature for the fiscal year just drawing to a close. Of this increase, \$63,207 is sought by the County Community Hospital.

Submitted to the board by the office of the controller were 40 tentative salary budgets and 54 maintenance and capital outlay budgets, with increases asked in 22 of the salary and 35 of the maintenance figures.

Colma "Bad Boy" Taken To Folsom

Four San Quentin prisoners from San Mateo County, including Buster H. Haley, Negro murderer, and Ray Lagomarsino, county jail escapee, have been transferred to Folsom Prison, it was learned this week.

Haley, two time loser sent up for life in 1932 for the slaying of a Negro in South Redwood City, was transferred to Folsom March 4.

Lagomarsino, former Colma post-office robber and first man to leave Alcatraz via habeas corpus writ, was received at San Quentin February 19 following conviction on the escape charge. At Folsom he joins two former companions, William Avelino and Robert Schenk, ex-convicts taken during an attempted robbery of a San Francisco bookmaking flat five months ago. Schenk is doing life.

Carl Wendell, sent up for 10 years for grand theft, and F. M. Londergan, sentenced to life imprisonment for a morals offense, have also been transferred to Folsom.

CLINIC URGED

Returning from a recent conference of the Western Hospital Association at Los Angeles and an inspection of the Los Angeles public health setup, Dr. Alan Benner, superintendent of the San Mateo County Community Hospital, declared that change and improvement must be made to bring county health services up to a standard of modern efficiency.

Government Urges Child Health Day

The federal government urges the observance of Child Health Day, May 1, and specifically mentions the summer round up of the children, an activity of the National Congress of Parents and Teachers which affords an opportunity to improve the health of all children throughout California.

The Federal Children's Bureau, under medical direction and supervision, is sponsoring this activity throughout the United States. The chairman of the summer round up for the California Congress of Parents and Teachers states that if all parents and teachers and other agencies interested in child health see that children are registered before May 1, 1937, a definite step will be accomplished toward the improvement of juvenile health.

The summer round up of the children in California is a campaign to send to the entering grade of school or kindergarten a class of children as free as possible from all remediable physical defects.

Legion Dollar Dance Is Well Attended

So successful was the American Legion, Daly City Post No. 410, flood relief dollar dance, held Tuesday of last week, that the post plans to hold a monthly dollar dance on the last Saturday of each month. The admission includes refreshments and a free midnight lunch. The first of these monthly dances will be held at Daly City Post No. 410 Hall, 474 San Diego avenue, May 29.

The latter part of March an attendance appeal was sent out to all members. As a result attendance for the last two meetings has increased more than 100 per cent. Comrade Joe Saligari has returned from Livermore Hospital and attended the last meeting.

Since the chairman of the Sons of the Legion, John Dempsey, has transferred to a down town post there has been no activity in that organization but Comrade Harry Kuse has agreed to take the chairmanship and continue the work he carried on last year with the Sons of the Legion.

Daly City Pioneer Passes Wednesday

John Anderson, 84, a retired bartender, was stricken with a fatal heart attack in the kitchen of his home at 1189 Brunswick street, Wednesday of this week.

When Anderson failed to pay his usual daily visit to the nearby grocery store his neighbors became alarmed and investigated. Officer Barney Hilton accompanied by several other neighbors found the aged man dead on the floor of his kitchen.

Anderson was unmarried and has no known relatives. The deceased, a native of Sweden, came to San Francisco in 1882. Thirty years ago he built his Daly City home. It was the first home erected in the Crocker tract.

WE'RE HARD TO FIT - but

the FORD V-8 suits us!

THERE'S A SAYING that you can't have everything - but this new Ford V-8 says differently.

At the lowest Ford price in years, you can have roominess and comfort possible only with an engine that's extra short, springbase that's extra long, drivers' seats that adjust two ways.

And besides that—you ride where riding comfort is at its best—amidships, between the axles.

THE BRILLIANT "85" • THE THRIFTY "60"

You get brakes that stop with tremendous power—yet work at the gentlest of toe pressure.

You get a car that's easy to steer, easy to park. Yet the way it hugs the road and cradles you over rough spots will make you think of great big cars, with great big price tags on them.

You get modern lines and sparkling colors, and up-to-the-minute "little things," too—battery under the engine hood, starter button on the dash

and parking brake below it, big luggage compartments on all sedans.

And anywhere you go, you know you'll find good service at costs so low they're famous the world around.

So no matter how hard you are to please or fit—here's the car to see FIRST this spring. The QUALITY car in the low-price field.

LOCAL DRIVER WILL ENTER IN TRACK CONTEST

Competition Will Be Strong On Oakland Speedway Next Sunday—Many Champions To Participate

Lead footed Sonny Gotelli of 6716 Mission street, Daly City, next Sunday afternoon, April 25, will take a whirl at what promises to be the stiffest competition in California when he faces the starter in the qualifying trials preparatory to the first event in the sprint racing program at the Oakland Speedway.

Gotelli spent several hours this week on the oval that holds every American dirt track speed record from one to 100 miles, testing out his car and learning the best driving course.

TEST DRIVING

"I am particularly anxious to find out exactly where my automobile will perform at its highest efficiency, for in sprint racing you drive with a wide open throttle from the time the starting flag is waved across your radiator until the checkered bunting drops denoting the victor," Gotelli said. "Moreover, with all of the cars as evenly matched as they are now a matter of inches may spell the difference between victory and defeat."

That Gotelli will have plenty of stiff competition Sunday is indicated by the list of entries already received by the speedway management. These include Art Armstrong of San Mateo, 1936 American Racing Association champion; Walt Davis of Burlingame, Charley Thom of Petaluma, winner of the last 100 mile Oakland classic; Duane Carter, Ernie Criss and Vern Crosby of Oakland; Freddy Agabashian of Berkeley, Bill Lipscomb of Van Nuys, Hal Burns of Los Angeles, Harry Lester of Hollywood, Bud Rose of Los Angeles, Glenn Wood of Stockton and a host of others.

To Trade In D.C. Always Is Policy

To trade in Daly City always will be the policy of Mrs. Mary Domenichini, 1034 Hanover street. She won the big eleven tube "Cathedral Model" Crosley radio given away free by the Daly City Merchants Association, Saturday evening of last week.

When interviewed as to her reaction on being winner of the first prize, Mrs. Domenichini conveyed the fact that she did not speak nor understand English very well and that her husband, R. Domenichini, proprietor of the shoe repairing establishment at 6194 Mission street, would make a statement for her. A broad smile on the face of Mrs. Domenichini and a gentle hand on the prize radio displayed her happiness far better than any declaration she could have made.

Her husband said that besides being glad that his wife had won the prize he had given full support to the local trading program and would continue to co-operate with all progressive local projects.

Hi Will Observe Public School Week

In observance of Public Schools Week Jefferson Union High School will present a special program at the high school auditorium, Tuesday evening of next week. Kenneth McLean will be chairman of the affair.

Principal James Ferguson announced that interest displayed in the student body indicates that the affair will be excellent in quality of presentation and will be well attended. Scheduled on the program are selections by the school orchestra under the direction of Thomas Stevens and numbers by the A Capella Choir also under the direction of Mr. Stevens.

"Truant Husbands," a dramatic skit, will be directed by Melba Nelson and supervised by William Hoppe, high school dramatic coach. Norma Evans, as Louis, and Miriam Marin, as Alma, will play in the skit.

Guest speaker on the evening program will be Assemblyman Harrison Call. Although the assemblyman is very busy at the state capital, he considers the high school program important enough to leave his legislative duties and fly here to make an address. Modern education and its relationship to future society will be the topic of his message.

TURF EVENTS OF OUTSTANDING IMPORTANCE

Tanforan Futurity And Bay Meadows Futurity With Added Money Feature For 1938

Two of the outstanding turf events on the 1938 calendar in the west will be the Tanforan Futurity and the Bay Meadows Futurity, each endowed with \$10,000 in added money. These stakes, fashioned for 2 year olds at a mile, are open to the whole world with no restrictions as to foaling place.

Nominations to the Bay Meadows Futurity of 1938 will close September 15 of this year. It is open to yearlings. The Bay Meadows Futurity of 1939 will close at the same time and sucklings will be eligible. The Tanforan Futurity of 1938 closed last August. The Tanforan Futurity of 1939 will close August 16 of this year.

The two baby features will be run in the fall. It is expected that each Futurity will be material in establishing the two year old champion of the year.

The institution of these two specials will provide an additional incentive for eastern and Kentucky breeders to ship west in the fall.

The principal purpose of a Futurity is to encourage breeding and the Futurity has long been considered the most sporting type of race in

America. The Belmont Futurity is an outstanding classic and one of the most sought after events on the turf.

Floyd Mc Kenney, presiding steward at Tanforan, and an authority on breeding, has been largely responsible for the inauguration of the Meadows Futurity. He is of the Tanforan Futurity and the Bay opinion quite a number of the colts and fillies competing in the two color races will be kept in California for breeding purposes after they have left the race course.

The 177 nominations to the Tanforan Futurity of 1938 came from all over the United States and it is altogether likely similar interest will be shown in the Bay Meadows Futurity.

LEADING LITTLE 'SWING PARADE' THEATER STARS AT ALCAZAR IS IN PRODUCTION BIG SMASH HIT

"Thunder In Paradise," A Hawaiian Play Will Be Staged On Tamalpais

Principal roles in the mountain play this year will be handled by outstanding players from the little theater groups on both sides of the bay.

The vehicle for the current production in the famed natural amphitheater on Mount Tamalpais is "Thunder in Paradise" with Ella McSpedden, of the University of California Little Theater, as the leading lady. Playing opposite Miss McSpedden will be Paul Langten and sharing honors in other prominent male parts are Walter C. Fell, Elmer Collette, John Cuthbertson, Edward Day and Ted Yaryan.

The date of the play, which is the twenty-fourth annual of ing, is set for Sunday, May 23.

Nancy Coleman, well known radio actress, will have one of the supporting roles, as will June Fairbanks, Claire Grady and Helen Wiener.

Miss McSpedden, who graduated last June from the University of California, has appeared in the title role of "Elizabeth the Queen" and in leading parts in Shakesperian productions.

Twenty dark eyed girls are rehearsing native dances for "Thunder in Paradise," which is a story of Hawaii in the eighteenth century. Betty Horst is directing the dance numbers which will be an outstanding feature of the production. Especially chosen native melodies will supply a musical background for the play with the entire cast costumed in authentic native dress of the period.

MONSTER WHIST

Daly City Unit No. 410, American Legion Auxiliary, will sponsor a monster whist party at Eagles Hall, Thursday evening of next week. A pair of hand made pillow cases for each table are to be given away. Play will start at 8:30 o'clock.

dance; Robert Clarke as Stu Stewart, the ubiquitous sous; Solly Carter as Moe Kornblum, theatrical producer; tenor Meyer Guthertz; Leon Forbes, the television announcer and Maxine Dill as Cinderella in the Toy-land sequence.

New tunes that seem destined for the air lanes are "Swing Parade," "Swing Time in Spring Parade," "Funny Little Penguins" and "Star Gazing." The music is by Nat Goldstein and the lyrics by Richard Melville and Del Foster. Space does not permit a full listing of creditable performances of "Swing Parade." The play is replete with everything it takes to make a thorough going hit and the likelihood is that it will get a long run. Unfortunately the production is too big to take on the road. It is shown in a prologue, two acts and a total of twenty scenes.

Italian American Club To Celebrate

Next Sunday (April 25) the Italian American Club of Daly City and Colma will hold its fourth annual celebration at Colma Hall.

First activity of the program will be a parade scheduled to start from the county line at 2 p. m. and to march to the hall in Colma. In the afternoon there will be entertainment, a bazaar and speech making. In the evening there will be dancing.

Admission is free and all local citizens and their friends are invited to attend the annual celebration.

PUBLIC SCHOOLS WEEK

It is the hope of every man that the world of tomorrow will be a better world—that there will be less of storm and stress and suffering, and more of peace and good will and happiness.

But where can men place this hope, ever thwarted by the failings and weaknesses of the human race? There is only one answer. That place is the schools. For the future of humankind is shaped in the schools, and if ever the eternal problems are solved, it will be only because the schools have made better men of future generations than we ourselves have been.

Next week is Public Schools Week in California. Adults of today, plodding on throughout the year unaware of the future's birth, are given this week to be made aware, to visit the schools and see and hear of their progress.

The idea of holding the "week" was born in California in 1920, when post-war indifference toward education was threatening to bog down the whole system. So successful was this observance in arousing new interest, that the nation later followed California's example, setting up Education Week to be observed in the fall.

California still leads in the matter of education. Our schools are second to none anywhere. But to keep them that way, we must all understand and share the problems in the work of building better men for the world of tomorrow.

Go around to your school next week! After seeing the hope and enthusiasm of the youngsters you will come away with reawakened faith in the future, and, like as not, in yourself as well.

WITHOUT AND WITHOUT

In that curious part of the world where we've come to believe almost anything is likely to occur at any time, a "trial" unprecedented in history is going on this week. Mexico, having provided a haven for Leon Trotsky, the modern "man without a country," is now letting him present his defense against the charges of Russia and Stalin, to an unofficial international commission headed by famed Professor John Dewey of the United States.

The man without a country is having a trial without a court, before a commission without authority, seeking a conclusion that will be without evidence to support it. It may make news, for a while, but it will never make much sense. Strange things do happen in that topsy turvy republic of Mexico.

You work all day doing about the same things and getting about the same money in order to write about the same check for the grocer and the landlord and you go home and eat about the same supper and get into the same bed and get up and shave the same face in the same way in order to look the same at the same office doing the same thing.

P. T. A. Will Hold National Convention

The National Congress of Parents and Teachers will hold its forty-first annual convention in Richmond, Va., May 3 to 7. The program theme this year will be "The Place of the Home in the Community." Delegates will convene at a popular Richmond hotel.

Mrs. B. C. Clark, president of the California Congress of Parents and

Teachers, will be chairman of rules and regulations for the convention. Other delegates from California are Mrs. J. K. Lytle, Mrs. Hugh Bradford, Mrs. C. H. Turner, Mrs. William Hayes, Mrs. A. L. Hamilton, Mrs. W. R. Goddard, Mrs. Joseph Morcombe and Mrs. Norma Goodhue.

State congress pioneers will be honored guests at the session on Wednesday, May 5, at the Richmond Mosque. States will be introduced in the chronological order in which they were organized as state branches.

FARMERS APPRECIATE AID OF UNCLE SAM

By J. W. MARCHBANK
Pioneer in Frontier Mining Work

President Roosevelt is deeply interested in the welfare of the farmer and has made many moves in the direction of his complete rehabilitation. The "chief" realizes our economy will never be established on a sound basis unless the man of the soil is enabled to maintain his old-time dignity and bring up his family the way it should be brought up.

The President's commission on farm tenancy, after a comprehensive study of the difficult problem, recommended the creation of a Federal Government corporation to buy land for landless farmers and to provide guidance for them until they had paid for their land over a twenty year period.

In discussing a substitute proposed by the agriculture committee of the House of Representatives, which would appropriate 50 million dollars a year for five years for loans to the farmers without the government purchasing any land or supervising the farms, the San Francisco News well says:

"The commission's plan would give security to both the government and the farmer. The proposed substitute would give security to neither."

"We need something more than money to pull our farmers out of the bog of tenancy. To make agriculture the profitable and pleasant way of life it should be we need, not the isolated farms of the past, but individual farms grouped in well planned rural communities. Only the government has resources to provide such planning, though only the individual effort of the farmers can make it succeed."

"The history of the Resettlement Administration's supervision of its clients shows that government agricultural supervision, far from being repressive, stimulates the individual efforts and ambitions of the farmers. It helps them to rise in the world and to prosper, and they like it."

Professor John Dewey and other liberals are taking advantage of every opportunity to point out that democratic processes can be depended upon to bring about fundamental social changes. An opposing school of thought claims a class conflict is necessary for effecting any social change that is significant.

Zalmen Slesinger's recent book "A Critical Examination of the Liberal Educator's Program for Social Reconstruction" gave Professor Dewey a chance to air some of his views. The two students agree changes should be made in society, especially

in its political and economic institutions. But they disagree as to the means of achieving those changes.

One slip on the part of the author of the interesting book is overlooking the fact that educators generally are addressing themselves to educators, endeavoring to awaken teachers to the seriousness of the present social situation. It does not follow that liberal educators are unaware of the importance of organization in bringing about social changes because, in addressing themselves to teachers, they stress the factors most directly connected with the work of teachers.

As has been said a number of times, the question of who pays the cost of a balanced budget is a straight political issue. Liberals are right in asserting that economic as well as humanitarian considerations support the demand that the high income groups assume the burden.

An analysis of the present trend of the bond market indicates that with the levying of new taxes the bond prices will recover without special governmental action. Under the Social Security Act several hundred million dollars are to be accumulated annually as reserves for the old age and unemployment insurance funds. As is well known, the money so accumulated is required by law to be invested in government securities.

A mass meeting last Monday night at Dreamland brought to this vicinity the drive of Labor's Non-Partisan League for support of President Roosevelt's proposal for reorganization of the Supreme Court.

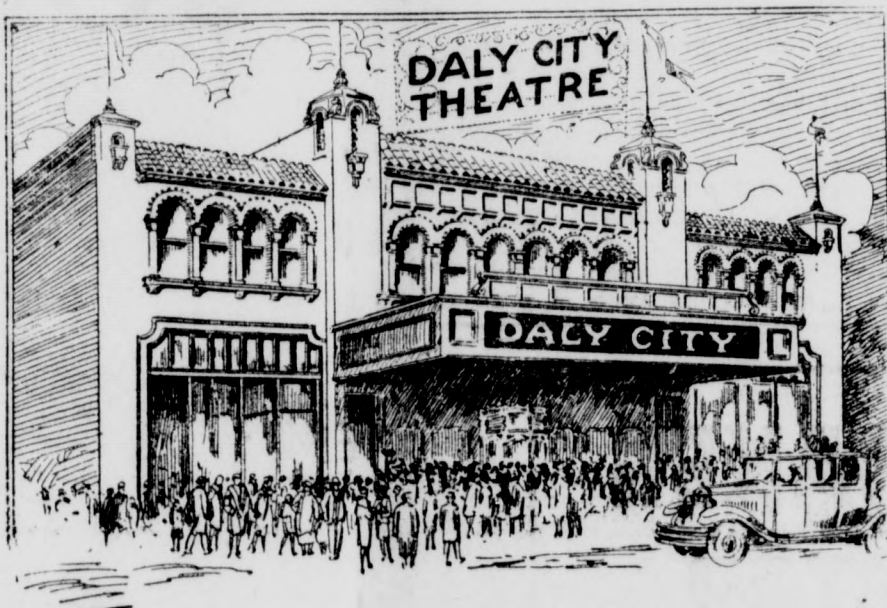

Stock Benefits By Animal Frigidaire

For a long time men have enjoyed green vegetables all the year around, first by cooking and canning, more lately by shipping and refrigeration.

Cattle and other farm stock are now to have the same benefits, through experiments proved successful in refrigerating alfalfa hay.

Those same elements present in fresh fruits and vegetables are needed by farm animals, too, explains Dr. Oscar Erf of Ohio State University, hence freshly cut alfalfa is put into airtight silos and packed with "dry ice."

NEW THRILLS WITH HUGE COMBINED CIRCUS

Great Al G. Barnes and Sells Floto Combined Circus Offers Vast Array Of New And Thrilling Features

New and sensational arenic talent, garnered from all corners of the globe, will be seen with the great Al G. Barnes and Sells Floto Combined circus that will exhibit in San Francisco four days, starting Thursday, April 29, for afternoon and night performances.

The uniting of these two giants of the tented world has created a super amusement enterprise, offering the most prodigious program ever presented in America. Hundreds upon hundreds of the world's foremost arenic stars, as well as scores of Europe's leading headliners will be seen.

One of the greatest thrills with this super circus is the largest collection of ferocious jungle beasts ever assembled in the history of the world. These mean brutes, who defy all efforts to tame them, are twice daily herded into a triple steel bar amphitheater, where Bert Nelson, the greatest wild animal trainer of all times, forces his charges to perform. The sight is a thrill that will be remembered for a lifetime. Yet this one offering is but one of the hundreds on the lavish and prodigious program.

Five herds of elephants, sixty clowns, four hundred horses and a new menagerie of 800 furred and feathered creatures and over 1000 people comprise the personnel of this amusement colossus.

Some of the new and sensational European acts that will be seen with the great Al G. Barnes and Sells Floto Combined Circus are: The amazing Cristiani troupe of bareback riders, and the only riders in the world turning somersaults from the backs of galloping horses to the backs of galloping horses; daring and exotic Amerika, who without holding to any support performs breathtaking feats high on a swinging trapeze; The Two Karleys, offering aeroplane spins, the last gasp in man's daring; Hal Silver, unrivaled and most versatile genius of the tight wire; The Flying Artonys, who without using a safety net cast themselves through great spaces high in the dome of the mighty tent, and Louise Schroeder, queen of the fly-

ing trapeze. The opening spectacle, Old Mexico, that uses some five hundred performers clad in rich and bejeweled raiment, and three hundred animals, likewise lavishly caparisoned, was two years in the making. The circus will give two performances in one, at 2 o'clock in the afternoon and the other at 8 o'clock in the evening. In each case the doors will open one hour earlier to permit inspection of the mammoth menagerie, which contains many rare specimens.

WPA To Feature Adult Education

Instructional activities, exhibits and entertainment in adult education will be featured in a program to be presented by the WPA education program of the State Department, Wednesday evening of next week, in the Veterans Building Auditorium, under the sponsorship of the San Francisco County Council of the American Legion.

This program of demonstrations in adult education will be given in connection with the eighteenth observance of Public Schools Week, which begins on Monday of next week.

Robert F. Gray, a Legionnaire and director of adult education in the San Francisco evening high schools, and also director of the WPA education program, will be the principal speaker for the occasion.

EXPERIENCED HOUSEWIFE CLUB

(By Maude Larue Ives)

Mrs. Osmond Schreiber, a member of the club, contributed the following recipe for bread, which not only tastes good but smells appetizing when it is baking.

BROWN BREAD

1 cup sugar, 1 cup syrup, 1 cup sour milk, 2 cups graham flour, 1 cup raisins, 1 cup nuts, 2 teaspoons soda, 1/2 teaspoon baking powder. Bake 1 hour. This is also nice baked in baking powder cans.

The following recipe, sent in by Mrs. John Kinsey, never fails to please the children and quite often the daddies, too.

BEST YET ROLLED OAT COOKIES

1/2 cup shortening, 1 cup sugar (brown or white), 1 egg, 1-3 cup milk, 1 1/2 cups rolled oats, 1-2 cup raisins, 1-2 cup nuts (chopped) (optional), 1 1/2 cups flour, 1-2 teaspoon soda, 1-2 teaspoon salt, 1 teaspoon each ginger, nutmeg and cinnamon.

Cream sugar and shortening, add remaining ingredients in order given. Sift flour and other dry constituents together. Drop by teaspoonfuls in greased pan. Bake 10 to 12 minutes in moderate oven heated to 375 degrees F.

FRUIT RING

(From Mrs. H. Warshawski)

3 boxes lemon jello, 1 quart water (hot or cold, according to directions on package). Line ring mold with mixed fruits or melon balls. Pour liquid jello over fruit and chill until solid.

Delicious Sauce for Fruit Salad
1 cup powdered sugar creamed with yolk of 1 egg, juice 1/2 lemon, a little pineapple juice, 1/2 pint whipped cream. Add egg mixture to whipped cream.

POTATO SANDWICH

(From Mrs. A. Meeth)

Select large, smooth, firm potatoes. Use a vegetable scrubbing brush and scrub well, rinse and dry. Cut slices of potatoes 1/2 inch thick. Oil a shallow baking pan thoroughly, place slices of potatoes in pan (one slice for each person to be served). Cut slices of raw tomatoes 1/2 inch thick, place on potatoes. Sprinkle chopped parsley, salt and pepper over tomatoes, cover with another 1/2 inch slice of potato, brush over each sandwich with melted butter. Bake in a medium oven until potatoes are well done. Place a thin slice of cheese on top of each sandwich and let melt but not brown.

HOUSEHOLD SUGGESTIONS

(From the Farmer's Wife)

A drop of cake coloring in salad dressing adds a pleasing variation and a "party look" to the simplest salad.

A piece of inner tube placed over the edge of the table when you screw the food grinder in place will protect the table.

Suggestion for Sunday Night Supper
Broiled bacon sandwiches, sliced Spanish onion, sliced brick cheese, sliced pickle and chocolate cake.

Pile a hot platter with plenty of broiled bacon. Place everything on the table and let each make his own sandwiches. Buttered bread should be served.

SPAN IS RED

The Golden Gate Bridge, largest suspension bridge in the world which swings across the entrance to San Francisco harbor, is painted orange vermilion. It will be opened to traffic May 28 during the Golden Gate Bridge Fiesta May 27 to June 2. The San Francisco-Oakland bay bridge is painted aluminum.

Meeting Held By Crocker PTA Board

On Tuesday of this week an executive board meeting of Crocker P. T. A. was called by the president at the home of Mrs. Ethel Dorn on Risel street. The entire executive board were in attendance and plans were outlined for the program of the coming year.

During the luncheon hour a farewell handkerchief shower honored Mrs. Bernardine Lewis and Mrs. Agnes Anderson, who are moving to other communities.

Those officers who represented Crocker Unit at the Seventeenth District convention, Thursday and Friday of last week, were President Mrs. John Kinsey, Mrs. Ruby Katch, Gertrude Walker, Nell Caine and Mrs. H. J. Seiler.

The membership chairman, Mrs. Goldsmith, is calling a membership drive in the near future. Any one interested in becoming a P. T. A. member should call Mrs. Goldsmith, Randolph 9163.

On Wednesday of next week a card party will be held at the home of Mrs. Virginia Davidson, 581 Hanover street, at 1 p. m. Everyone is welcome and a pleasant afternoon is promised those who attend.

On May 1 a large card party is being planned, to be held in Crocker School. The game will start at 8 o'clock and there will be many prizes.

Lesson Sermon Of Christian Science

"I heard a voice from heaven saying unto me, Write Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them." These words from Revelation comprise the Golden Text to be used Sunday, April 25, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The subject of the Lesson-Sermon will be "Probation after Death." Included among the Scriptural selections will be: "If in this life only we have hope in Christ, we are of all men most miserable. But now is Christ risen from the dead, and become the firstfruits of them that slept. . . . For he must reign, till he hath put all enemies under his feet. The last enemy that shall be destroyed is death." (I Cor. 15: 20, 25, 26).

The following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be included: "As death findeth mortal man, so shall he be after death, until probation and growth shall effect the needed change" (p. 291).

Whist To Be Held By Forty And Eight

With Stuart R. Ward, well known Legionnaire and Forty and Eight, as chairman, the May monthly whist social sponsored by the Forty and Eight Society of San Mateo County, Voiture 393, will hold its whist dance party on May 1, the first Saturday of the month, and will be known as a May Day whist dance social. Sixteen hands of whist will be played. Games will start at 8:30 o'clock, refreshments will be served and dancing will start at 10:30 and continue until a late hour.

MOURNED

James N. Gillett

James Norris Gillett, governor of California from 1907 to 1911, who died recently in his Berkeley, Cal., home. Ex-Governor Gillett was the last chief executive of California to be elected under the old "caucus" system. Born in Viroqua, Wis., he was educated in Sparta, Wis. He was admitted to the bar in 1881 and served as a member of the California Senate from 1879 to 1899, and in Congress from 1903 to 1907.

New County Permit Issued To P. G. E.

A new source of county income, netting more than \$4000 a year, was opened up last week with passage by the Board of Supervisors of an ordinance granting the Pacific Gas & Electric Company a new franchise to supply power in unincorporated areas.

The county will collect 2 per cent of the annual gross receipts received by the utility for power supplied to the rural districts after the ordinance goes into effect 30 days hence. Officials of the company estimated that the county revenue will exceed \$4000 a year, increasing as business grows.

PUBLIC LIBRARY AT HUNTINGTON FILES CARTOONS

Collection Of Nearly 200 Drawings by Famous News Men Are Catalogued

People who think of the Huntington Library only as a storehouse for time honored records will be surprised to learn that it is collecting documents on which the ink has scarcely dried.

And—of all things!—these contemporary documents are original drawings of cartoons from daily newspapers.

"For some phases of the historian's work cartoons are invaluable," explained Leslie E. Bliss, the librarian, "and just as we have difficulty nowadays in obtaining specimens of the work of earlier cartoonists, so future generations probably will envy us our opportunity to save the best cartoons of today."

"The library now has a collection of nearly 200 original drawings, every one given by the artist," Mr. Bliss stated. Included are several drawings by California cartoonists: Howard Brodie of the San Francisco Chronicle, D. W. Finley of the Pasadena Star-News, Edmund W. Gale of the Los Angeles Examiner, Bruce Russell of the Los Angeles Times, Fred Wilson of the San Diego Union Tribune and Ralph Yardley of the Stockton Record.

Among noted American cartoonists who are represented in the collection are Clarence D. Batchelor of the New York Daily News, Jay N. Darling ("Ding") of the New York Herald-Tribune Syndicate, Edmund Duffy of the Baltimore Sun, Daniel

R. Fitzpatrick of the St. Louis Post-Dispatch, Rollin Kirby of the New York World-Telegram, John T. McCutcheon of the Chicago Tribune, Silvie F. Ray of the Kansas City Star and Vaughan Shoemaker of the Chicago Daily News.

Just now the Huntington Library is having an exhibition of seventy of the cartoons, which have been arranged in four groups: Politics, international affairs, social problems and comics. As might be expected, the library has avoided partiality and in controversial issues has carefully shown both sides. From the wealth of historic material in the collection the staff prepared a supplementary display, in which the history of the cartoon in America is traced from the time of Benjamin Franklin—our first native cartoonist—to the World War.

Honor Camp For Delinquents

Working on the theory that supervised work in the open is far more important in rehabilitating juvenile delinquents than "institutionalization," county authorities in San Diego, recently, opened an experimental juvenile forestry camp.

If the project proves successful, other similar camps will be opened, it was announced.

The camp is situated at Mt. Woodson, near Ramona, Calif. Buildings and equipment formerly used by a CCC camp have been made available by the State Forestry Department.

"We will have about 20 boys between the ages of 15 and 21 in the camp," said Wood F. Worcester, county probation officer. "We intend to make it strictly an 'honor camp' and believe we can instill in the youths a sense of responsibility. We believe this is the proper way to rehabilitate the lads who have run into trouble for the first time."

TOLERANCE INTEGRAL PART OF ALL SPORT

By J. W. MARCHBANK

A few days ago a sports writer in New York made a little slip in calling Cavalcade a son of the mighty Man o' War. He had meant to write "Crusader." Friends in the business were quick to call the expert's attention to the mistake and he hastened to make the correction.

It is embarrassing enough to have a slight mental lapse in doing any kind of work, but no one can object to others setting one right. That is, provided the correctors go about their task in a good-natured way. If done in a backbiting manner it would be better if not done at all.

The subject under discussion was the failure of some of the best three year olds of the country to show much as two year olds, with American Flag and Crusader, both sons of Man o' War, being mentioned as notable examples, along with the more recent slow development of such good ones as Omaha and Granville of the Sir Gallahad tribe.

Another thing worth noting is that somewhat ordinary three year olds are apt to become outstanding four year olds. Seabiscuit is a good illustration of that truth. The Hard Tack colt scored in handicaps at Detroit and Empire City in addition to features out this way last year, but not even the most optimistic could predict he was of the class he demonstrated at Santa Anita and Tanforan this year.

Seabiscuit is possessed of all the qualities of a good horse; he has "foot," can be placed in a race, either coming from behind or making the pace himself, is capable of handling weight and apparently can go as far as modern runners are asked to go. He has inherited some of the ability of his grandsire, Man o' War, which, it will be recalled is holder of the American record for one mile and five furlongs.

California sportsmen are keenly interested in Seabiscuit's career and any time he starts against the best in the East they will be rooting strong for his success even though not at the trackside when the race is being run.

Jeff Track Teams Beaten By Redwood Bruno Residents Have Anniversary

The unlimited and 110 pound track teams of Jefferson Union High School went to Redwood City, Friday of last week, for a track meet with the Sequoians. The unlimiteds were beaten by a score of 73-39 and the pounders lost by 29-21.

There were several fast events in the meet and many Jeffersonians gave good accounts of themselves. Francis Olson turned in his usual good performance in winning the half mile in 2:6.4. Dave Gaggero won the 440. Buzzy Wright won the 100 and 220 yard dashes and George Balletto threw the discus 119 feet 1 inch.

Mr. and Mrs. L. Gregori of San Bruno celebrated their thirty-fourth wedding anniversary at a family reunion dinner, Sunday of this week.

The dinner was held in the palatial twelve room residence of the couple. Dancing and group singing of old time ballads and popular songs furnished evening entertainment.

Among those present were Mr. and Mrs. T. Grandona, Mr. and Mrs. L. Merlo, Mr. and Mrs. L. Martinelli, Mr. and Mrs. A. Arrata and family, Mrs. B. Nolan, Miss Mary Nolan, Steve Ava and Vosco DeLucca.

Army Officer Held As Wife Slayer

Major Allen Boggs

Shot by her jealous husband, who mistook her 12 year old son in an adjoining bed for "another man," Mrs. Sally Boggs, 37 (right) died recently in a Santa Cruz, Cal., hospital. Major Allen Boggs (left), wealthy retired army officer, was held by police after he admitted the murder. The shooting occurred in a Santa Cruz home where Mrs. Boggs was a guest.

Daly City Pupils Win P. T. A. Awards

Again pupils of the Daly City elementary schools won poster awards at the annual P. T. A. poster contest. Posters are sent from all the P. T. A. units in San Mateo County to be entered for competition.

The following pupils received awards at the recent county P. T. A. convention at San Mateo: First prize, silver cup, won by Maren Nelson of Woodrow Wilson Elementary School; second prize went to Lorraine Vernazza, Woodrow Wilson Elementary School, and third prize to Helen Lozano, Jefferson Elementary School.

First honorable mention was won by Patricia O'Brien, Crocker School; second honorable mention by Nadine O'Brien, Woodrow Wilson Elementary School, and third honorable mention by Eleanor Boschi, Jefferson School.

Posters that won first and second prizes will be sent to the state P. T. A. convention at Pasadena in May. Local entries were made in art classes under the supervision of Mrs. Carral.

Ignition Trouble

In most cases, ignition trouble can be traced to short circuits, grounds, open circuits and poor connections. These faults can result from oil and water soaked insulation, from damaged insulation caused by rubbing of wires against metallic parts of the car, and from vibration.

Cavalcades From All West To Fiesta

When cavalcades roll along all western highroads toward San Francisco for the opening of the Golden Gate Bridge and the attendant Fiesta, May 27 to June 2, they will carry to the ceremony the flags of the eleven western states.

The massed colors of these commonwealths of the West, their folds intermingled with the Star Spangled Banner, will be an inspiration to hundreds of the thousands of witnesses who will thrill to the knowledge that the West stands united as neighbors to celebrate the opening of the great structure across the Golden Gate.

The bridge itself is a link in transportation along the Pacific Coast. Its dedication is not only another phase of development in the great West. It is a mile stone in the history of our nation.

Whist Parties For Pershing P. T. A.

General Pershing P. T. A. will hold two whist parties in the school on Hanover street.

The first will be given this afternoon (Friday). Mrs. Rose Gardella will act as chairman.

The second party will be held Friday evening of next week. A committee, members of which are Mesdames Marge Woodside, I. Marquis, Mazie Boyle and Rose Gardella, will be in charge of this affair.

April Is Auxiliary Welfare Month

On Wednesday of this week Daly City Unit, American Legion Auxiliary, met in regular session in Legion Hall, Mrs. Mary Crane presiding. Reports of chairmen and special committees and routine business were discussed.

April is designated as child welfare month by the American Legion Auxiliary. The unit child welfare chairman, Mrs. Little Chapman, reported on unit activities and told the members that \$22,567.33 has been expended during the past six months to assist 1,615 California children of World War veterans. For children in group activity, including baby clinics, day nurseries and milk funds, \$885.79 was expended.

Harrison, Farmers Meat Market, Thomas Jefferson Cleaners, Henry Warshawski, Selmi's Hardware, Selmi's Grocery, Daly City Sheet Metal Works, American Shoe Shop, Byrne Radio, Dante Cafe, Your Barber Shop, Domenichini Shoe Repair, Spring Valley Market, Daly City 5 and 10 Cent Store, Knoll's Grocery, Dean's Service Station, Doyle's Meat Market, Westlake Market, Edwards Drug Store, County Line Market, Meritt Electric, Ed's Grocery, McGraw's Pharmacy, Crocker Grocery, Vireno Wine Vaults, Daly City Second Hand Store, Peter's Restaurant, Samoa Cafe, Street & Co., Good Food Shop and Lysle Prince.

Principal Ferguson Heads Discussion

Professor James Ferguson conducted a round table discussion on education at the regular meeting of the Jefferson Union High School P. T. A., held in the little theater of the school, Wednesday afternoon of this week.

Delegates reported on the district convention held in San Mateo, Thursday and Friday of last week.

Mrs. Stella Jensen was elected as delegate to the convention to be held in Pasadena in May.

Following the meeting refreshments were served by a committee of which Mrs. Remi Sanders was chairman.

Colma News Notes

Stephen Massie, employed at the Colma Lumber Mill was treated, Thursday of last week, at the Villa Sanitarium for removal of a splinter which had lodged in his right hand.

A very successful whist party was given, Wednesday afternoon of this week, by Cypress Circle No. 14, U. A. O. D., at Colombo Hall. Chairman Dora Morton was ably assisted by Mesdames Emma Schwarz, Becky Volkman, and Fredericka Volkman. Mrs. Becky Volkman was winner of the first prize. Following the game, delicious refreshments were served by the committee.

The Womens Home Club of Colma will hold an afternoon whist party, Tuesday afternoon of next week, at the club house on Werner avenue. Refreshments will be served guests following the game.

Miss Marie Horkey of Market street was received in communion, Sunday of this week, at Holy Angels Church.

Mrs. Cordena Benedetti was hostess at a bridal shower given, Monday evening of last week, at her home on Citrus avenue in honor of her sister Miss Mary Baldacchi who will wed soon.

Mr. and Mrs. C. Benedetti of Clara street had as dinner guests, Sunday of this week, Mr. and Mrs. Pete Villa of Santa Clara and Mr. and Mrs. H. Simond and daughters Misses Dolly and Louise.

Officers of the Colma Parent Teachers are scheduled to meet, Thursday afternoon of next week, at Jefferson Hall to formulate plans for the coming meeting.

Mr. and Mrs. H. L. Remington and family of Railroad avenue motored to Santa Cruz, Saturday evening of last week, where they spent the week end with relatives.

Miss Bernice Benedetti is improving from a severe chest cold which has kept her confined to her home on Clara street for the past few weeks.

Popular Girl Weds

Miss Rose Adele Laveroni, daughter of Mrs. Rose Laveroni of Garibaldi street, became the bride of Mr. Edmund J. Gapiro of Vallejo street, San Francisco, at a pretty wedding ceremony, Sunday afternoon of this week, at the Corpus Christi Church in San Francisco. Father Thomas De Mattei conducted the ceremony.

The bride wore a gown of white satin with close fitting bodice fastened at the back with a row of tiny buttons. A bride's cap with orange blossoms held the long lace veil. She carried a large bouquet of lilies of the valley and gardenias.

Her sister, Miss Josephine Laveroni, was maid of honor and Miss Inez Gapiro, sister of the groom, was bridesmaid. Both were attired in accordin plaited chiffon gowns of peach and coral and carried bouquets of ice box flowers.

The groom was attended by Addie Pagelli as best man and Ernest Gioardo was usher.

Following a banquet held in the couple's honor at the Tivoli Restaurant in San Francisco, they departed for a trip to Los Angeles. Upon their return, they plan to make their home in the Marina district of San Francisco.

Roy L. McCann, his wife Mary and four children of Newcomb avenue, San Francisco, were given emergency treatment at the Junipero Serra Hospital, Sunday of this week, for minor injuries following an automobile accident at the intersection of Junipero Serra boulevard and El Camino real. Following treatment they were removed to their home.

The Colma P. T. A. held its regular afternoon whist party, Tuesday of this week, at Jefferson Hall on San Pedro road. Mrs. Margaret De Mattei and Mrs. Louise Zanetti were chairmen of the affair. Mrs. L. Jost was the lucky winner of the first prize.

Lawrence and Milton Peterson of Mission street, accompanied by George Balletto, enjoyed an evening of swimming, Sunday of this week, at Sutro Baths.

Louis Nava of San Pedro road is enjoying the use of his new truck, purchased recently.

Mr. and Mrs. Angelo Rovere and daughter Stella of Bridge street motored to Salda Beach, Sunday afternoon of this week, where they visited friends.

Among those present at the entertainment and dance given, Saturday evening of last week, by the Italian School were Misses Esterina Ottinello and Stella Rovere.

Hi Nine Defeats Stanford Frosh

Because Jefferson drew a bye in P. A. L. baseball competition, Friday of last week, the team went to Palo Alto Thursday to play Stanford frosh.

The Indians, although not expecting to defeat a college team, were in a fighting mood and were ready to play hard.

Jack Corrigan, who is ineligible this year but who will be eligible next year, did the pitching for the Indians. Although allowing eight hits, he kept them well scattered throughout the game. He received fine support from his teammates both on defense and offense. Red Denning and Slugger Jones each got two bingles to lead the batters for the day.

Jefferson got only two more hits than Stanford, but converted their hits into nine runs while Stanford scored six runs on eight hits. Score:

Jefferson	AB.	R.	H.
Denning	4	2	2
Haran	4	2	1
Murray	5	1	1
Owens	3	1	1
Ragghianti	3	1	1
Randle	4	1	1

Co-eds Would Be Gangsters' Nemesis

Emily Kidd (left) and Helen Ausenbaum, a junior, said she wanted to be a policewoman, but not the kind who "just handles delinquent young women." She prefers excitement and action "like gun battles with gangsters." The girls are pictured examining an enlargement of a fingerprint.

Senior Baby Day Will Be Held

Jefferson Union High School will observe one of its annual customs, Monday of next week, when the senior class members will drop approximately fifteen years from their lives and romp as they did in those days of yore. All members are expected to dress appropriately for the occasion. Skates, lollypops and huge ribbons will be much in evidence.

A short assembly is being planned for that afternoon and a style show will be the main attraction. That is, those who are childishly dressed will display their costumes to the students.

The day will be topped off with a dance in the auditorium for all members of the student body.

CROSS FOR NICKEL

Hikers will be able to walk across the Golden Gate Bridge in San Francisco for the first time on Pedestrian Day May 27, the opening of the Golden Gate Bridge Fiesta. The toll for pedestrians will be a nickel.

Paint covered cloth has been invented for covering the exteriors of houses.

Wedding Held At Church In Colma

A host of friends and relatives gathered at Holy Angels Church, Saturday evening of last week, to witness the colorful wedding ceremony of Miss Norma Massaglia, daughter of Michael Massaglia of Station avenue, and Louis Varni of San Bruno.

Father John Marchisio performed the ceremony.

The bride was lovely in a gown of white lace with long train, and carried a large bouquet of lilies of the valley and bavardia.

Mrs. Delfine Franzetti of San Mateo, matron of honor, was attired in a yellow lace gown and carried a bouquet of yellow sweet peas. Her husband, Mr. A. Franzetti, attended the groom.

Immediately following the wedding the couple departed for a trip to Southern California. Upon their return they will make their home in San Bruno.

The Colma Volunteer Fire Department was called out, Wednesday evening of this week, to extinguish a fire which had started in the automobile of B. S. Greene while parked in his garage on Bryant street. Neighbors summoned to the scene were able to control the blaze before the department arrived.

FEDERAL SHOW OF PUPPETS IS COMING TO HI

George Bernard Shaw To Be Master Of Ceremonies For Marionettes

(Continued from page 1)

and the initial event of what, it is believed, may become a permanent circuit for the puppets.

Ralph Chesse, state director of marionettes for the Federal Theaters is exerting himself and every division of the Federal studio to present an outstanding performance of the marionettes when they reach Daly City. The presentation here is entitled "Marionette Varieties." It consists of a number of vaudeville acts with that great Irish intelligence, George Bernard Shaw, in the role of master of ceremonies. In marionette form as in real life G. B. S. delivers himself of humorously sour cynicisms about the actors, the American people and humanity in general, himself not included. If anything G. B. S. in the wood is more entertaining than G. B. S. in the flesh.

Others who will be seen on the bill will be the Dionne quintts, Mme. Tilly, Bill Robinson, the La Tour Brothers, some one act sketches and, all in all, there will be a diversity of entertainment that covers the field of vaudeville, opera and the stage.

Proceeds from the show will be used to pay expenses of Jefferson Union High School athletes who are injured in competitive sports.

Hi Ball Team Wins In Extra Inning

It was a pitching duel all the way through with neither pitcher getting much help from his teammates. That was the main story of the Jefferson-Palo Alto baseball game played at Palo Alto, Tuesday of this week. Owens of Jefferson and Nealson of Palo both pitched mighty good ball. Nealson had the tough luck and Jefferson won, 7 to 6, in eight innings.

Although sloppily played, the game produced several thrills. The local lads entered the last inning trailing by a 6 to 5 score. Murray led off with a single, stole second and Owens saved his own game by chasing him home with a long single that tied up the ball game.

Palo Alto was retired one-two-three in their half of the eighth and Jefferson again came to bat. Denning singled, with one out, and promptly stole second. Haran duplicated the feat of Owens by scoring Denning on another long single. That sewed up the ball game.

Paris of Palo Alto gave the local lads a scare in the second inning when he tripled with two men on.

Keeping Up With Joneses And Mayor

(Continued from Page 1)

prietor of the Selmi Market, were two of the first merchants to participate in the program. Mayor Selmi submitted the lowest bid on a radio and the first prize for the trading event was purchased from his store.

The mayor served on a sponsoring committee for the free dance, Saturday evening of last week, and gave a fitting address of welcome to guests who danced with the merchants.

Monday evening of this week, while Mayor Selmi was in a council caucus meeting at the city hall, the telephone rang. Over the wire came this excited announcement, "Hello, Paul?"

"Yes," from the mayor. Over the wire again, "This is your cousin at 411 Meriam, I have the winning ticket for the washing machine."

A representative of the Daly City Record who was covering the caucus meeting drove to the Miriam street address to check the coupon. The number held by Mrs. Julius Selmi corresponded with the stub drawn Saturday evening.

To complete the picture Mrs. Julius Selmi told The Record reporter that she had done much of her purchasing at the Selmi Market and had probably received the winning coupon from the mother of the mayor.

Yes, merchants of Daly City and all progressive residents could well recommend that we "keep up with the Joneses." And the activity of the mayor and his family suggests that title to them.

Mrs. Stella Jensen Installed By P. T. A.

Mrs. Stella Jensen, President of Jefferson Union High School P. T. A., was installed as fifth vice president of the district at the Seventeenth District convention held in San Mateo, Thursday and Friday of last week.

Each unit in Daly City received an award at the convention. General Pershing, standard certificate; Woodrow Wilson, silver cup and three poster awards; Crocker, magazine award; Jefferson, standard certificate, and Colma, poster award.

NOTES ON OUR ELEMENTARY SCHOOLS

The eighteenth annual observance of Public Schools Week is scheduled to begin Monday of next week. Superintendent Crane reports that interesting room exhibits of class work will be on display the entire week in the General Pershing, Crocker, Woodrow Wilson Primary, Jefferson and Thornton Schools. In the Woodrow Wilson Elementary School an extensive hall exhibit will be on display. This particular school will also be opened Tuesday evening from 7 to 8 o'clock so that parents and friends who are busy during the day may have an opportunity to visit the school and see work done by the children.

Crocker School reports that Monday will be the day which has been set aside for visiting regular classroom work. Both Woodrow Wilson Primary and Woodrow Wilson Elementary Schools have also planned a special visiting day for Thursday in order that parents may have ample opportunity to visit the classrooms.

The primary purpose of Public Schools Week is to afford the general public, and particularly the parents of school children, an opportunity of visiting schools so that they may become better informed on all matters relating to the welfare of public education. Many visitors are expected by teachers and students in all schools.

Guard Station May Be Established

The first move to establish a coast guard station at Mills Field was made this week in Washington when a subcommittee of the House merchant marine committee planned to begin hearings on the Tolan bill.

The bill authorizes an appropriation of \$750,000 for acquisition and equipment of the station. The secretary of the treasury will be authorized to acquire sufficient land for the station should the bill be approved.
